

JOB SEARCH TIPS

CREATE JOB SEARCH KIT

Gather your CV, LinkedIn Profile, job descriptions that interest you, top 10 companies that excite you and get clear about your values, wants and needs for your next career move.

REVIEW JOB SEARCH MATERIALS

Do your CV and LinkedIn profile represent you fully? Identify the keywords and phrases from job descriptions and company websites that interest you and integrate them in your job search materials.

GET GOING!

Identify any contacts in your network who work at interesting companies and ask them to refer you. If you don't know anyone apply directly and tailor your profile and CV for that company. Start preparing for interviews, master the STAR interview methodology. Good luck!
